

# EXPOZITIA

“FANTEZIE”

IN ROSU, NEGRU, AURIU

**CARMEN TODITA**

**TURNUL POMPIERILOR**

**Tipografiei 17, CLUJ – NAPOCA**

**28 iulie – 11 august 2024**

**Orar de vizitare: 10 AM – 20 PM**

Expozitia la care cu drag va invitam, este una de suflet, care prin numeroasele ore de munca si precizie, acordate de Carmen Todita lucrarilor ei, va va ajuta prin sensibilitatea lor sa percepteti o vibratie lirica, cuceritoare cu efect emotional puternic. Temele alese de ea pentru desene (in rosu, negru si auriu), sunt foarte variate, atingand laicul pur si ajungand pana la mistic.

Carmen Todita expune lucrari de grafica in tus lucrari cu care ea a participat la diferite expozitii in Olanda.

The exhibition to which we kindly invite you is one of soul, which through the many hours of work and precision, given by Carmen Todita to her works, will help you through their sensitivity to perceive a lyrical, captivating vibration with a strong emotional effect. The themes chosen by her for the drawings (in red, black and gold) are very varied, touching the purely secular and reaching the mystical.

Carmen Todita exhibits graphic works in ink, with which she participated in various exhibitions in The Netherlands.
